

## Why Should You Purchase A Tree?

The Joseph Steinen Wildlife Area hosts a variety of youth and adult programs throughout the year. The Huron Youth Sports Club helps deserving youngsters participate in these programs and assists in the capital development of facilities for youth programs.

A donation to the Celebration Tree Grove will cover the cost of the tree, its care, and help support Joseph Steinen Wildlife Area outdoor youth programs.

Dedicate a tree to:

- A favorite hunting dog
- A hunting companion or family member
- To memorialize a significant outdoor experience

## Celebration Tree Grove

Native trees that provide food and cover for wildlife will be planted. There is a mowed path from the parking lot to the grove.

- A log book of donors is kept at Erie MetroParks' Maple Grove Center.
- A brochure with donors' names is provided at the bulletin board on the grounds of the Joseph Steinen Wildlife Area.
- A sign designating the Celebration Tree Grove and explaining the significance of the Celebration Tree Grove is located at the grove.

## Can you remember who gave you what last Christmas?

*( Most people don't remember  
what **you** gave them either!)*

Think of your contribution to the Joseph Steinen Wildlife Area Celebration Tree Grove, whether a memorial, a tribute or general gift, as a lasting token of celebration! Your gift, no matter how modest, will assure that tomorrow future generations will enjoy the trees we plant today. Gifts of \$250 or more purchase a tree.

Twice a year, in the spring and fall, as funds are available, trees are purchased and planted where they are needed most. Cash, securities or property can all provide the basis for income for this important work.

Donations are deposited into the Joseph Steinen youth program and education fund.
